MEET RACHAEL, MEMBERSHIP DIRECTOR

I am thrilled to be joining The Fox Hill Club as your Membership Director. I have over 15 years of experience in hospitality where I have discovered a deep passion in serving others.

I previously worked at several private clubs including The Dominion Country Club (San Antonio, TX) & River Place Country Club (Austin, TX) where I was responsible for outside event sales, member events, marketing and even tried my hand at accounting for a few years! I'm so excited to be back in the Club world and have thoroughly enjoyed my first few weeks here.

I currently live in Fort Collins with my husband, Brad and 2 sons, Brayden (6) and Camden (1).

I am truly looking forward to meeting everyone so please swing by the Membership office next time you're at the club to introduce yourself.

Have a friend looking to join your Club? I'd be honored to share our current offerings with them.

Rachael Roumaya,
Membership Director

SWIM TEAM

After two years of a modified swim team, we are thrilled to announce that the summer of 2022 will be back to normal. We will have a full coaching staff and offer dryland exercises with practices.

If you have any questions, feel free to email Angie at albanning@hotmail.com. We encourage you to sign up as soon as you can, simply because it is a lot of work to get all of the kids in the system. Registration forms can be found on our website under the "Swimming" tab

*PreTeam is currently FULL. Please contact Angie via email if you'd like to be placed on a waitlist.

Private and Semi Private swim lessons are available at Fox Hill. These are scheduled individually with the instructors at a time that works best for both people. The cost for members is \$30.00 per half hour. To the left is a list of highly qualified instructors, their contact information, and their availability. Please reach out to one of these and try to schedule a time today.

RICH'S TURF TALK

From our first 90-degree day followed with a half inch of snow the next, the month of May has been a roller coaster, climatically speaking. Despite the ups and downs with the temperatures all month, we've been able to accomplish a lot, and the course is looking and playing better each day that goes by:

Most of the turf repair areas that were seeded or sodded earlier are filling in nicely. I do ask everyone to continue to avoid driving through any thin or newly seeded areas. We expect to be groove-seeding and aerifying more areas through June.

The left side bunker on Hole #11 and the greenside bunker on #14 are no longer "Ground Under Repair". However, you may still take relief if the metal edging around the perimeter of the bunker impacts your golf swing. If you are in the bunker and take relief, you must remain in the bunker. I hope to have the right-side bunker back "in-play" within a week or two.

Tree work for the spring is complete. We are still working on filling in the sump areas.

More staff is arriving now that schools are finishing for the year. With more staff, we can now begin to focus on details!!!

A special thank you to all the ladies that helped plant flowers this past week. The flowers throughout the clubhouse grounds and course are always a great aesthetic addition to the Club. I even flew in my mom to help this year! Your assistance allowed us to complete the plantings in less than a week!!! Great Job!

One of the best things about private club membership is the pride our members have for the care of their course. There are basic practices that all members can help with to allow for the best possible experience for everyone. The golf course maintenance staff work hard to help maintain the health and operating flow of our golf course. As members, there are basic practices that everyone can employ to help us consistently achieve this goal. Generally speaking, ball-marks on greens, divots on tee boxes and fairways, and proper care for bunkers are usually the top things that come up in discussion on areas of importance. Golf Cart etiquette is widely considered to be equally important. To that end, we would like to ask for everyone's help. The following guidelines should be top of mind for all members and their guests, to help ensure the highest quality appearance and playing conditions for everyone to enjoy.

BUNKERS: Please enter and exit at the lowest point of the bunker. After play, please rake all areas affected by play and place rake where you exit the bunker. Rakes are placed inside the bunker with the handle resting on the turf. Please do not enter or exit the bunker at high points, as this will move sand away from the faces and make raking much more difficult.

BALL MARKS: Please repair all ball marks during play. As you wait for your group to play, please be mindful of any unrepaired marks left before you and help fix one or two others in addition to yours. As an interesting note, a properly repaired ball mark takes only one day to heal whereas a ball mark left unrepaired for one day takes one month to heal. Everyone wants the very best playing conditions so please help to achieve that with just a little extra care for the course.

DIVOTS: Please repair or replace all divots during play. As you wait for your group to play, please be mindful of any unrepaired or unreplaced divots left before you and help fix or replace one or two others in addition to yours. Ideally, divot mix is the preferred method of repair but in the absence of mix, replacing the divot is better than leaving it unattended. There is mix available for all golf carts and pull carts and replacements or refills are also readily available.

GOLF CARTS: All carts should be operated responsibly, at reasonable speed, and with care and awareness of surroundings while obeying all signs/ropes directing you. Please follow the cart signs directing you to the cart paths as you approach the greens on each hole. There are yellow stakes placed next to these signs to help you see them better. Once on the path, remain on it until well after the next tee, at the very least. When parking on the paths, ensure all 4 tires are on the path. All par 3's are CART PATH ONLY through the entire hole. Should you require a handicap flag for your cart, they are available in the golf shop. Guidelines for handicap flag usage is also available in the golf shop.

PACE OF PLAY: Pace of play is an integral part of the game of golf. Our pace for 18 holes at Fox Hill is 4 hours and, as most of you know, oftentimes quite less than that.

Attention to these matters will only help to provide the very best possible experience for everyone and to allow our staff to continue improving the beautification and playing condition of our golf course. Please be mindful of these key guidelines for the maximum enjoyment of everyone. We ask all members to kindly remind everyone in their group to help with these guidelines and please remind your guests as well.

With the 2022 golf season now in full swing, we wish to thank all our wonderful members for their support of our fine Club. The course is improving everyday, and we are all excited for another incredible season here at Fox Hill. What a special place!

Thanks for your continued cooperation and support.
Your Superintendent,
Rich Parker

- 4. Member must be involved in at least a nine-hole round.**

RESTAURANT UPDATE FROM PAT

Good staff are hard to find and retain in today's restaurant labor market. Even prior to the pandemic, recruitment and retention were major challenges for most restaurants and The Fox Hill Club is no exception. There are simply too many kitchens and not enough cooks.

Currently, we have two of the six positions we need -- we have two full-time kitchen staff (Executive Chef and Sous Chef) and are currently searching for an AM Prep Cook, two Line Cooks and a Banquet Chef. Despite offering highly competitive compensation, we continue to have difficulty filling these positions. If you know of anyone that would be interested in working in our kitchen, please have them contact me at 520-903-8960.

Because of this, in order to provide comprehensive, high-quality restaurant service to our Members and guests we are forced to make adjustments to our restaurant service

First, starting June 1st, we will move to the following restaurant hours.

Tuesday:	11:00am – 6:00pm (Food available until 4:00pm)
Wednesday:	11:00am – 9:00pm
Thursday:	11:00am – 9:00pm
Friday:	11:00am – 8:00pm
Saturday:	11:00am – 8:00pm
Sunday:	11:00am – 6:00pm (Food available until 4:00pm)

Second, we will require dinner reservations to guarantee service. Walk-ins will be limited and accepted only if space is available.

Third, as you are aware, we have already implemented a restricted menu.

We anticipate these measures will be temporary and lifted as soon we are able to hire the staff we need. We are hugely grateful for the support you have given us and the support I know you will continue to give as we work to transfer out of the current labor shortage.

Pat Miller, General Manager

HOLE IN ONE CLUB

All Golf Memberships of The Fox Hill Club are automatically enrolled in the Hole-in-One Club. You may opt out of the Hole in One Club by contacting the Membership Director at rroumaya@thefoxhillclub.com

Each participating Golfing Membership will be charged \$5 when a lucky Member gets a Hole in One. The resulting amount will be split 50/50 between an account credit on your monthly billing and Golf Shop Credit. The Hole in One will only be awarded during posting season and must be witnessed by another Member. See "Rules for a Valid Hole in One" on left sidebar.

FINANCE FOOTNOTES FROM JILL

Statement Errors:

As we continue to get busier keep an eye on your statements. We will always correct any errors and they will happen. We appreciate you letting us know so we can get your account accurate. We also use these issues to continue to train our staff.

Private Cart Stickers:

We still have a list of people who have not picked up the 2022 Cart Sticker. These must be displayed on your private carts that are out on the course or that are used to

access Club property. Stop by the business office and we can get you taken care of.

Account Payments:

We have begun the process of investigating additional payment method options. Look for more details in the coming months.

Here's to a great summer!
