Golf Happenings from Brett:

We are excited to announce two fitting days in September, Ping on 9/9 from 11-3pm and Taylormade on 9/10 from 11-4pm. You can sign up for these by calling the Golf Shop!

The Parent/Child Tournament was a great event, we had some incredible kids out on the course– and the parents did OK too! A total of 18 kids and parents played making it a great afternoon.

Quick reminder to sign up for the WGA ladies club championship which will be 9/10 & 9/11 . It's an individual stroke play tournament Gross and Net scoring with 9 hole and 18 hole divisions. Tee Times each day will begin at 8:00 AM sign up sheet is on foretees under the events tab.

There is still a lot of fun happening on the course and the best golf is yet to come with the cooler temps and Colorado sunshine.

RICH'S TURF TALK

This year's aerification here at Fox Hill continues. All greens have been solid tined along with an aggressive dethatching. We followed-up with a heavy layer of sand to help dilute the thatch. They are healing in quickly. We have a few more tees and approaches to do before we begin groove-seeding fairways and the rough.

An added benefit with aerification and topdressing is that all ballmarks on the greens are gone! We would like to keep it that way! Here's where you can help with that. I've attached a picture below of the correct way to fix a ball mark. Thanks for your cooperation and to the Turf Team for all their hard work this week!

The Proper Way to Repair a Ball Mark

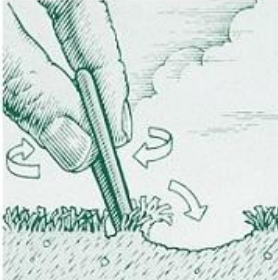

1 Use a prolonged ball mark repair tool (preferably), knife, key or tee.

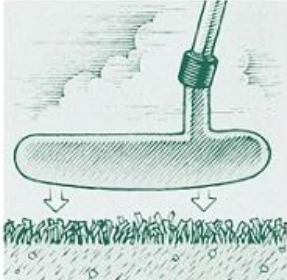

2 Insert at the edges of the mark—not the middle of the depression.

3 Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.

4 Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.

Source: Golf Course Superintendents Association of America

Aerating putting greens might create a short-term disruption in your game, but the long-term benefits greatly outweigh the inconvenience. Learning more about why and how we aerate putting greens and other areas can make it easier to be patient during the process. Here are five things every golfer should know about aeration:

1. We aerate to improve, not annoy

Putting greens receive more traffic than any other playing surface. The aeration process helps relieve the compaction caused by all that traffic. It also helps create a firm, smooth putting surface by controlling thatch and promoting healthy turf roots.

2. Scratch the thatch

Thatch is a layer of old plant material that accumulates at the soil surface. If thatch on putting greens is not diluted by aeration and topdressing, it will act like a sponge, holding water near the surface. Excessive thatch creates soft playing conditions, inconsistent green speeds and increases the risk of disease.

3. Timing is everything

Do you ever wonder why aeration is commonly performed when putting greens are playing their best? Aerating when grass is healthy and actively growing minimizes damage and allows for a quick return to optimal playing conditions. Aerating at other times may be more convenient for the golf schedule, but it lengthens recovery times, increases the risk of an invasion of weeds and could cause lasting damage.

4. It's not as bad as you think

It may seem like there are more holes than grass on the putting greens right after they've been aerated, but this is an illusion. Typically, aeration affects less than 10 percent of a putting surface.

5. Sand is part of the plan

A heavy application of topdressing following aeration may appear to make putting greens less playable. However, filling aeration holes with sand actually helps create a smoother surface. Sand also creates channels for water and air movement, dilutes thatch and helps putting greens recover from aeration more quickly.

EMPLOYEE HIGHLIGHT:

EVERY MONTH WE'LL BE HIGHLIGHTING SOME OF OUR EMPLOYEES. THESE ARE THE PEOPLE BEHIND THE SCENES WHO WORK TIRELESSLY TO MAKE THE FOX HILL CLUB SUCH A WONDERFUL PLACE.

RICHARD BORRA

We're almost certain you've met Richard, he's been a staple at Fox Hill for 6 years! In fact– his work anniversary was 8/31 which officially marked his 6 years here. Richard is known for his love of bowling and his friendly spirit with Members and staff alike! He graduated from Erie High School in 2011. He is always on time and willing to help out anywhere he's needed. He has thoroughly enjoyed getting to know our Members and has made some great friends at Fox Hill. He is looking forward to learning other aspects of the golf industry as well! Thanks Richard! We are grateful to have you on our team.

WE'RE HIRING!

We are hiring a Custodial and Facility Maintenance person to keep our buildings clean and functioning well. In addition, the position will perform any basic repairs and/or minor preventative maintenance when required.

Please have any candidates reach out to Caroline Mack at CMack@thefoxhillclub.com with their resume.

Not Receiving our Constant Contact Emails?

This week you should have received an email on Wednesday, our "Weekly Update" and two emails on Thursday "Event Notice" and a letter from Stu. If you have not seen these, please follow the steps below to troubleshoot.

STEP 1

Search your Spam and "Promotions" Folder. Several email systems now have a new sort feature that pulls emails into a "Promotions" folder that you may not see regularly.

STEP 2

Emails from Constant Contact appear to be from "The Fox Hill Club" and our direct email addresses. You can expect to receive emails from the following accounts:
rroumaya@thefoxhillclub.com
bbaylin@thefoxhillclub.com
rparker@thefoxhillclub.com
shorsfall@thefoxhillclub.com

STEP 3

If you do not see the emails after following those steps, please reach out to me directly so we can troubleshoot together.

Quick Reminder:

We will be removing Clubster from our communication database. All of our communication now comes through Constant Contact, an email marketing platform.

The benefits of this new program include streamlined clubwide communication for Members and click through links for easy event registration.

If you've received any notices from the Club in the past month, you are all set! If you have not received communication during the month of August—please contact Rachael Roumaya at RRoumaya@thefoxhillclub.com

MEMBERSHIP NEWS UPDATE :
