Del Rio Country Club's Summer Tennis

For a number of years, Del Rio has offered an established and well developed series of week long summer tennis classes for ages 4 through adult.

These classes vary in time of day, in numbers, in age, and in level.

In addition, if you have your own group of players and would like to coordinate a clinic to fit your time and level, we would be most happy to accommodate you.

Check with Mark or Garrett.

We are also offering 2 golf and tennis schools. These are half day sessions with the purpose of either 1) introduce these two great life sports to you and/or 2) improve your skills at the games you already enjoy.

About the program

We are pleased to again have an excellent summer staff. Mark Weir and/or Garrett Deering will direct each session.

Our summer teams have consistently done very well in USTA Summer League Play. Not only do our juniors compete in summer (and spring) time play, but many go on to High School Tennis and Northern California sanctioned events. The Camps are organized, educational, entertaining, and fun. Please, come and join us!
