Formats and guidelines:

- Step aside scramble – 4-person scramble where the player whose shot is selected steps aside for the follow-on shot, continues to next hole, the person putting the last hole does not tee off on the next hole.
- Texas scramble – 4-person scramble and requires each team member to use a minimum of 3 drives during the round.
- Pinehurst Alternate shot - Shot 1 - Each player hits a drive, shot 2 -The players then switch, each hitting their second shot from the other player's drive, shot 3 – The players select the 2nd shot of their choice (usually, but not necessarily, the best 2nd shot) and play alternate shot until the ball is holed.
- Best ball per couple – each player plays their own ball and subtracts handicap per hole to determine net score – team net score by hole.
- Low Net Shamble for Foursome – Select the best drive of the foursome and each player plays their own ball from that location and subtracts handicap per hole to determine net score – team net score by hole.
- Two-person scramble & draw for team following play – there are 2 competitions, best couples score and best team score.
- Two-person stable ford – stable ford points per couple.
- No couples will be paired with the same couples more than 2 times during the season.
- Men golfers who are 50+ may use the white tees.
- Substitute partner 1 time/season – points roll up to couple's score.

Cost:

- \$20.00 per couple (\$13.00 for daily event, \$5.00 closest to pin, \$2.00 to end of season championship).
